

## SUPPORT INTERFAITH WORKS' MINISTRY

Your tax-deductible gift becomes a “continuous endowment” compounded year after year in energy bill savings. Savings are representative for religious buildings in constant use but lacking energy efficiency.

**\$25 Light Bulb Level:** Your donation can supply energy efficient light bulbs and save up to \$50 per year, or \$500 over 10 years.

**\$1,000 Insulation Level:** Your donation can contribute toward insulation and can help save up to \$1,250 per year, or \$12,500 over 10 years.

**\$150 Thermostat Level:** Your donation can purchase a programmable thermostat and save up to \$500 per year, or \$5,000 over 10 years.

**\$5,000+ Furnace Level:** Your donation can help replace an inefficient heating system and can help save up to \$5,000 per year, or \$50,000 over 10 years.

**\$500 Window Level:** Your donation can contribute toward replacing windows and can help save up to \$1,000 per year, or \$10,000 over 10 years.

\_\_\_\_\_ **Other** Any gift helps fund energy-saving building improvements.

Please send me \_\_\_\_\_ Interfaith Works' *Exploration/Expression* curriculum package(s), which contain(s) 1 Leader's Guide and 10 copies of the curriculum for use in my congregation.  
A check in the amount of \$\_\_\_\_\_ (number of packages x \$125.00 per package) is enclosed.
